

YVEDDI Domestic Violence Program

The YVEDDI Domestic Violence Programs are operated in the counties of Stokes, Surry, and Yadkin.

The major focus of services is to provide emergency services and assistance to persons who have been victimized by domestic violence.

Basic services provided by programs in each county are as follows:

- 24 Hour emergency crisis line
- Court Accompaniment
- Hospital Accompaniment
- Client Counseling
- Emergency Transportation
- Advocacy
- Off-site Shelter
- Trained Volunteers
- Community Education
- Professional Training
- Domestic Violence Program Advisory Council
- Local Domestic Violence Program Office
- Job counseling specifically designed for DV survivors entering the job market, taking into consideration their previous absence from the job market, their lack of recent paid work experience, and building upon the skills and experience possessed by the client.
- Job training and job placement services to train and place DV survivors for and into available jobs in the public and private sectors.
- Health education and counseling services with respect to general principles of preventive health care, including, but not limited to, family health care, nutrition education, and the selection of physicians and health care services.
- Financial management services with information and assistance on all aspects of financial management, including, but not limited to, insurance, taxes, estate and probate matters, mortgages, and loans.
- Educational services, including information services concerning available secondary and post-secondary education programs beneficial to DV survivors seeking employment, and information services with respect to all employment in the public and private sectors, education, health, public assistance, and unemployment assistance programs.
- Referral, follow-up and advocacy
